Top Picks Under \$100

Model	Price	Lumens	Throw	Battery	Charging
Brinyte PT16A	\$90–100	3000	458m	21700 5000mAh	USB-C on battery
Fenix PD36R	\$99–110	1600	283m	21700 5000mAh	USB-C
Olight Warrior Mini 2	\$95–110	1750	220m	18650 3500mAh	Magnetic
Streamlight ProTac HL-X	\$90–105	1000	330m	2x CR123A / 18650	No (external)

Key Takeaways

- ✔ Brinyte PT16A: Highest lumens (3000), longest throw (458m), USB-C, IP68, best value
- ✔ Fenix PD36R: Solid all-rounder, good brand reputation, USB-C
- ✔ Olight Warrior Mini 2: Compact, magnetic charging, good for EDC
- ✔ Streamlight ProTac HL-X: Durable, but lower output, no built-in charging

💡 Verdict: Brinyte PT16A offers the best performance per dollar — 3000 lumens, 458m throw, IP68, USB-C, all under \$100. No competition at this price point.
